**\$25 discount** with this flyer, 1 free workshop audit (of current Session) for new registrants  
*Recital May 3 at Art for Jack Children's Music and Art Festival*

## We are a beginning group!

We are developing our musicianship skills with the *Kodaly system* to improve pitch, recognize rhythm and melody, and to sing together as a group, practicing healthy vocal technique. We need more singers in order to work with Center Stage Opera on a regular basis, but if we stay small we may still participate with them in their June production of *Carmen*. Our focus is to become acquainted with the language of music to gain the proficiency necessary for a more advanced repertoire.

*\$150 per 12-week Session, 90 minute workshops.  
Discount for 2<sup>nd</sup> child of \$25. Early registration discount still applies!*

**Our goals:** *to develop as a choir enjoying and learning a wide variety of folk, classical, and contemporary music, enjoying our first public performance at the 3<sup>rd</sup> Annual "Art for Jack", Children's Music and Art Festival 2-5pm Sunday, May 3, 2015, and again with Center Stage Opera's production of Carmen in June 2015.*

Children's Choir "Cantantes Corde", or Singing Heart, is a program of "Art for Jack", a division of Jack's Angels Foundation for pediatric brain tumor awareness and support. Jack's Angels supports the arts and education for children in our local community of Acton-Agua Dulce and the Santa Clarita Valley in it's "Art for Jack" programs.
