

# Skip for Jack!

At the

# Santa COLORITA Run

Feb. 14, 2015 5K Fun Run

Castaic Lake State Recreation Center, 32132 Castaic Lake Drive, Castaic, CA 91384

**Skippers may also register for the Fun Run!**

*Jack's Angels mission is awareness, support, and research for DIPG—a childhood cancer responsible for 80% of pediatric brain tumor deaths annually in the US, and having no survivors in over 30 years of clinical record. Jack's Angels supports the "for Jack" DIPG research fund at Children's Hospital Los Angeles.*

## Come 'Skip for Jack!'— This Valentine's Day! 2/14/2015

'Skip for Jack!' is a skipping race that starts of the 2<sup>nd</sup> Annual Santa Colorita 5k Fun-Run--Skippers may also participate in the run! The Skip memorializes little Jack Demeter, who was three years old when he passed away from DIPG, a brain tumor with no survivors. He wanted more than anything to skip, though it was difficult for him with the muscle weakness and coordination problems that DIPG causes. The skip includes a yellow-balloon release for Jack, and each child will receive a new balloon after finishing, as well as a t-shirt from the SCV Chamber of Commerce and winged heart from Jack's Angels.

**Registration for the skip is only \$10 at [www.santacolorita.com](http://www.santacolorita.com)!**

The 'Skipper Sponsor Project' is an opportunity for children to help raise funds for pediatric brain tumor research at Children's Hospital Los Angeles while skipping! Top skippers and teams will be rewarded with a **prize donated by a local business** and a public certificate of appreciation.

Look for the "skipper sponsor form" at registration, or on the "Skip for Jack" page at [www.jacksangels.org](http://www.jacksangels.org)

For more information about Children's Hospital Los Angeles, visit: <http://www.chla.org>

**Hearts for Jack** is a sewing craft that can be done as a community service project for school children or youth groups. The craft requires adult supervision and guidance for younger children, and is more appropriate for middle/high school- age kids. Visit the Hearts for Jack page at [www.jacksangels.org](http://www.jacksangels.org) for more information.

*Proceeds from the Skip benefit the "for Jack" research fund at Children's Hospital Los Angeles. The kids need to know that their participation helps raise awareness for the leading cause of cancer-related death in children—brain tumors. Sadly, it is one of the least-funded areas of cancer research!*

*Why Skip?*

*Little Jack, who was only three when diagnosed with DIPG, wanted more than anything to skip, but it was very difficult for him. We know that Jack will be smiling down upon all the kids as they skip!*
