Santa COLORITA Run

5K Fun Run

Supports

Jack's Angels mission is awareness, support, and research for DIPG—a childhood cancer responsible for 80% of pediatric brain tumor deaths annually in the US, and having no survivors in over 30 years of clinical record. Jack's Angels supports the "for Jack" DIPG research fund at Children's Hospital Los Angeles.

For more information about Children's Hospital Los Angeles, visit: <http://www.chla.org>

Skippers may also register for the Fun Run!

Why Skip?

Little Jack, who was only three when diagnosed with DIPG, wanted more than anything to skip, but it was very difficult for him. We know that Jack will be smiling down upon all the kids as they skip!
